## EXPERIENCE

---

January 2022 - Present	Teaching Assistant, <i>Loyola University Chicago, Chicago IL</i> I am the TA for COMP 170, which covers five sections and 128 students. I grade assignments and quizzes, as well as provide tutoring assistance to students.
------------------------	---

September 2020 - December 2022	Website Developer, <i>Loyola University Chicago, Chicago IL</i> I made updates to the website <a href="https://hopkinspoetry.com/">https://hopkinspoetry.com/</a> , including adding new materials and displaying announcements and news, as well as using custom HTML and CSS within the WordPress CMS to make design updates.
--------------------------------	--

May - June 2021	Archive Assistant, <i>Women and Leadership Archives, Chicago IL</i> I rehoused archived materials and added metadata to scanned images.
-----------------	--

August 2019 - May 2021	Research Fellow, <i>Center for Textual Studies and Digital Humanities, Loyola University Chicago, Chicago IL</i> Office administrator, which included answering emails, creating email campaigns, and updating the department website. I also assisted in faculty projects, including developing a website for children's film reviews using WordPress.
------------------------	--

March 2016 – Present	Freelance Web Developer, <i>Chicago, IL</i>  I design and create websites from scratch and by utilizing the WordPress CMS, including customizing themes, images, and logos for clients.
2013-2015	Content Creator, <i>Web Development Group, Applied Groups, Earlham College</i>  The web development group creates, updates and maintains the Computer Science department's website, and various other web related projects.
March-April 2014	IT Intern, <i>Westminster Volunteer Centre, London, UK</i>  Maintained and updated website, created monthly newsletters, created new tutorials on website maintenance and on-going maintenance, created flyers
